

# "NOTABLE QUOTABLES"

"The conference was a great opportunity to get together with people to discuss what was happening in the market and what the rest of the year was expected to bring. A number of the panels provided an opportunity to hear market participants, be it investors, rating agencies, servicers or investment bankers, bounce around ideas on what could be done to carry the CMBS market to the next stage."

**- Deepak Mehta, Director, Real Estate Finance Securitisation, Royal Bank of Scotland**

---

"Where to find out what's really going on."

**- Caroline Philips, Managing Director, Head of Securitisation Europe, Eurohypo AG**

---

"IMN is the organization with the longest experiences in putting together conferences for the ABS/CMBS industry. The extent of their experience, contacts, and professionalism really shows when you attend the events they have organized."

**- Giovanni Pini, Senior ABS Analyst, European Credit Management**
